Ref: Raphael Lemgruber

To whom it may concern,

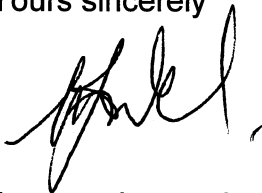

I have known Raphael for the past year in both a personal and professional capacity.

Raphael is an enthusiastic team member at St John Ngaruawahia where he volunteers his time to double crew the paid staff. He is willing to put his hand to anything asked of him, keen to learn all aspects of the Ambulance Officer role.

He adapts quickly and his friendly caring manner makes him a well respected and valued part of our team at Ngaruawahia Station.

I can recommend Raphael without reservation for any position he applies for knowing he will do his best to achieve high standards.

Yours sincerely
